## FloorScore® Certification

FloorScore® is the most recognized indoor air quality certification standard for hard surface flooring materials, adhesives, and underlayment. Developed by SCS with the Resilient Floor Covering Institute (RFCI). This program tests and certifies hard surface flooring and the materials they're made with to ensure they are in compliance with stringent indoor air quality emissions. FloorScore® Certificates available At: [www.belairwoodfloor.com](http://www.belairwoodfloor.com)
