

HERRINGBONE

Collection

ENGINEERED FLOORING

The Herringbone collection takes you back in time to a classical era where hardwood flooring professionals laid solid flooring planks in different patterns and shapes in order to create exclusive designs, making every application unique and luxurious. Chevron pattern flooring is extremely versatile as it can be applied to an entire room or used to create unique patterns to be combined with regular wood flooring planks, giving you the freedom to creatively play with color and tone..

Warranty: 30-Year Residential and 3-Year Commercial Warranty when installed and maintained in accordance with Bel-Air recommended installation and maintenance Instructions.

Carton (Box): 7.32 (Ft²./Box) | Length: 25-3/4" | Width: 7-3/4" | Height: 3-1/2" | Weight: 13.5 Lbs.

Pallet: 50 (Boxes/Pallet) | 366.5 (Ft²./Pallet) | Length: 26" | Width: 39" | Height: 40" | Weight: 725 Lbs.

FloorScore® Certification

FloorScore® is the most recognized indoor air quality certification standard for hard surface flooring materials, adhesives, and underlayment. Developed by SCS with the Resilient Floor Covering Institute (RFCI). This program tests and certifies hard surface flooring and the materials they're made with to ensure they are in compliance with stringent indoor air quality emissions. FloorScore® Certificates available At: www.belairwoodfloor.com

Recommended Underlayment:
